TERM PROJECT
CE - 372

Preparing a detailed BOQ

(Bill of Quantities)

Educational Buildings (Schools)

Class Groups

- Group **A**: Serial No: 84, 10, 09, 12, 14, 18
- Group **B**: Serial No: 33, 40, 41, 42, 44, 59, 200
- Group **C**: Serial No: 62, 65, 68, 73, 74, 78, 201
- Group **D**: Serial No: 80, 83, 87, 89, 93, 99
- Group **E**: Serial No: 101, 104, 105, 116 118, 119
- Group **F**: Serial No: 132, 133, 142, 151, 153 156
- Group **G**: Serial No: 173, 176, 177, 179, 191, 197

Group Assignments

- Group **A**: 19_3+0 U Shape
- Group **B**: 02_2+1
- Group **C**: 2+0 Reduced
- Group **D**: 2+1 Linear
- Group **E**: 11_2+0 L Shape
- Group **F**: 03_3+1
- Group **G**: 12_2+0 L Shape Reduced

Change in Design

- DO NOT consider Truss Roof
- Take the example of double story building and use the ground floor roof as the top roof of your respective buildings.

Preparing BOQ

- Use the given Excel file to fill the quantities
- Detail working of quantities should be accompanied.

Detail working Example

S. No.	Item Description	Number	Length	Breadth	Height	Units	Quantities

- Make separate sheets for each item type
- Link these sheets with the main sheet to automatically transfer calculated quantities to the main BOQ

Project Stages

- Stage one (1)
  - Quantities up to (Plinth) DPC level
  - Due with OHT-1
- Stage two (2)
  - Quantities up to Lintel Level
  - Due with OHT-2
- Stage three (3)
  - Cumulative project quantities
  - Due one-week before Final exam

Good Luck
